Telecommunications Services

C. Telecommunications Services

Commitments undertaken in this offer are subject to the following general conditions:

- Any person or juridical person who intends to operate a telecommunication business in Thailand shall obtain a license from designated national authority(s).
- Licenses are granted only to service suppliers duly constituted according to the Thai legislation, which requires head office and management located in the Thai territory.
- The service provider shall operate for public use through existing facilities licensed by the designated national authority(s).
- The designated national authority(s) may prohibit the license application or terminate the license of any telecommunication businesses which deemed to have any act of "business control" by a juridical person who is not of Thai national.
- Basic necessary new telecommunication acts are now in force. Commitments on public telecommunication services will be introduced and carried out in accordance with the implementing rules and regulations to be issued by virtue of those acts.

NOTE TO THE MARITIME TRANSPORT SCHEDULE

1. Where road, rail, inland waterways and related auxiliary services are not otherwise fully covered in this schedule, a multimodal transport operator shall have the ability to rent or lease trucks, railway carriages or barges, and related equipment, for the purpose of inland forwarding of cargoes, or have access to and use of these forms of multimodal activities on reasonable and non-discriminatory terms and conditions for the purpose of carrying out multimodal transport operations.
2. "Reasonable and non-discriminatory terms and conditions" means, for the purpose of multimodal transport operations, the ability of multimodal transport operator to arrange for the conveyance of its merchandise on a timely basis, including priority over other merchandise which enter the port at a later date.
3. Definitions:
 - 3.1 "cabotage": for the purpose of this schedule, means the transportation or towage of passengers or goods, between a port or place located in Thai waters and another port or place located in Thai waters.
 - 3.2 "Other forms of commercial presence for the supply of international maritime transport services": for the purpose of this schedule, means the ability for international maritime transport service suppliers of other members to undertake locally the following:
 - (a) Marketing and sales of maritime transport services through direct contact with customers, from quotation to invoicing, these services being those operated or offered by the service supplier itself;
 - (b) The procurement, on their own account of any transport and related services, necessary for the supply of the integrated service;
 - (c) The preparation of documentation concerning transport documents, customer documents, or other document related to the origin and character of the goods transported;
 - (d) Setting up of any business arrangements (including participation in the stock of a company) and the appointment of personnel recruited locally with any locally established shipping agency: As indicated in the horizontal section.
 - 3.3 "Multimodal transport operator" means the person on whose behalf the bill of lading/multimodal transport document, or any other document evidencing a contract of multimodal carriage of goods, is issued and who is responsible for the carriage of goods pursuant to the contract of carriage.
 - 3.4 "Freight forwarding services" means the activity consisting of organizing and monitoring shipment operations on behalf of shippers, through the procurement of transport and related services, preparation of documentation and provision of business information.
 - 3.5 "Customs clearance services" means activities consisting of carrying out on behalf of another party customs formalities concerning the import, export or through transport of cargoes, whether this service is the main activities of the service supplier or a usual

3.6

"Maritime cargo handling services" means activities exercised by stevedore companies, including terminal operators, but not including the direct activities of dockers when this workforce is organised independently of the stevedoring or terminal operator companies. The activities include the organisation and supervision of:

- a. the loading/discharging of cargo to/from a ship;
- b. the lashing/unlashing of cargo;
- c. the reception/delivery and safekeeping of cargoes before shipment or after discharge.

3.7

"Maritime agency services" means activities consisting of representing as an agent, the business interests of one or more shipping lines, for the following purposes:

- d. marketing and sales of maritime transport and related services, from quotation to invoicing, and issuing of bill of lading of the shipping lines;
 - e. procurement and resale of the necessary related services, preparation of documentation, and provision of business information;
 - f. acting on behalf of the shipping lines organizing the call of a ship or taking over cargoes when required.
-
